

PE Uniforms - Information Only
Orders and Money will be due in August 2017

Hello Parents!

I am Kyle Buss and I am the Physical Education teacher at Allendale School. I am extremely happy to have the opportunity to teach all of your kids. This letter is to inform you about PE uniforms. Each day your child will be required to wear their Allendale School PE uniform and PE shoes. All 5th, 6th, 7th, and 8th graders will be required to have a uniform. If they do not have the proper uniform, it will be counted as a no dress and they will not be able to participate in PE that day which will lower their grade. All incoming 5th graders will need to purchase a shirt and shorts from the school. The total cost you will need to pay will be \$15.00. You are required to pay that to the school before your child can dress for PE. If your child is a 6th, 7th, or 8th grader and lost their PE uniform or it does not fit anymore, you will need to order a new one as well so they will have the proper PE uniform. Reminder: If your child is a 6th, 7th, or 8th grader and still has their Allendale School PE uniform from last year and it still fits him/her, they can wear them this year!

Below is a list of sizes of shirts and shorts. Please mark which size for both the shirt and the shorts that your child will need. Send this form and \$15.00 back to school with your child as soon as possible so we can get their uniform ordered!

Thank you!

Kyle
